VERMONT TRIP

Revised

Special Edition by Dave Kinsey

On Thursday, September 28, 2023, members of *Corvettes Unlimited Corvette Club, Inc.* met at the Harrison House in Mullica Hill, NJ and had breakfast before setting out on their weekend adventure to Vermont. We had 7 *Corvettes* with 14 club members participating in this event. It was a perfect day for the cruise.

Those who attended were: Ted/Cookie Trembley, Garry Hersman and Fran, Butch/Sue Pierce, Ken/Liz Tomasello, Dave/Cheryl Repici, Bob/Kathy Aussenberg, and Dave/Joanne Kinsey.

We arrived in the afternoon at our destination which was the Gray Ghost Inn located in West Dover, Vermont. This was our stay for the rest of our trip till Sunday.

There was also another group who stayed at the Inn called “Moving Violations”. This group was a ladies group of bikers based in Boston. There were about 27 of them there. Some members also came from other states. They were very nice and were well organized for a biker run to raise money for a cause. We had fun talking to them. Great stories were heard.

We had dinner that night, at the Gray Ghost Inn - a lot of fun in the game room playing billiards, ping-pong, air hockey, watching tv and just sitting, relaxing, and socializing in front of the fireplace.

On our way to West Dover, we also stopped at Hemmings located in Bennington, Vermont to gas up for the next day. This gas station was a noted and iconic automobile gas station that had an antique automobile museum as well as a garage and store. There was also memorabilia inside the gas station with souvenirs and T-shirts. The museum is closed now due to COVID.

GAS UP!

The next day was a rainy day in Vermont, but that did not stop us from cruising the roads, stopping at a scenic sight and visiting the notable *Vermont Country Store*. We cruised on Route 100 which is known to be one of the best scenic routes in Vermont. The leaves were just beginning to get to their peak of the season of fall foliage. So we did get a chance to see some of the colors.
