A BREAKFAST CRUISE WITH CU

Well, we finally did it. We got our *Corvettes* out. The club went on a *Cruise and Breakfast Run* Saturday, April 27 giving us a chance to drive our *Corvettes* and to give them a run while cruising in force. We met at the *Wawa* in Buena, NJ. The weather was partly sunny and cloudy with temps in and around 60°. We had **15** members and **1** **guest** with **9** *Corvettes* caravanning together. They who attended were: Jerry & Diane Zerns, Kathy & Bob Aussenberg, Dave & Cheryl Repici, Ted & Cookie Trembley, Dave Kinsey, James Creszento, John & Beverly Taormino, Adam & Lisa Marks, Ron Ostenbridge, and guest Paul Kinsey - a total of **16** people and **9** *Corvettes*. We thank Dave Kinsey our Wagon Master who organized the trip, Ted & Cookie Trembley who led caravan, and Bob & Kathy Aussenberg who took up the rear.

As we departed from *Warwa*, we cruised on Route 54 heading toward Hammonton, NJ. From there, we took Route 206 toward Marlton, NJ.

As we passed through Medford Lakes, we took a quick side trip through a village of over 150 log cabins only to see a very small portion of them due to lack of time. Although many people may have heard of these log cabins, some may have never seen them. So we thought we would take a quick look to observe a handful of them. If you are interested in seeing more of the 150+ cabins, Google “Medford Lakes Log Cabins” to learn more about them and to find out where they are. These cabins were built using cedar trees from the Pinelands of NJ. They used these trees because they were termite-proof and were good insulators.
