TODAY'S NEWS

Pictures and article by Dave Kinsey

Well unfortunately we, *Corvettes Unlimited Corvette Club, Inc.*, missed our **Photo Op** for our Corvettes and members for today (Sat., April 20, 2024). This was due again to inclement weather. It gets frustrating, after all of the hard work and planning that goes into these happenings. However, thanks to Dave Repeci's efforts, he is attempting to set up another date. This could possibly be scheduled for Sat. Jun 1. **So save the date.** At this point in time, it is very *tentative*.

We do have another activity set up for you next week, Sat. April 27. Information was passed out to members at our April meeting. This is a *Cruise and Breakfast Run* to the *Chicken or the Egg Restaurant* located in Marlton, NJ. There will be a reminder sent out to you in the next few days that will cover all the information you need to know. It's the same as what was given to you at our last meeting.

So, what's the **NEWS** for **TODAY**? Well, most of us woke up to the rain ending this morning. It was going to clear up but not in time for our **Photo Op**. So Ted Trembley and I decided to take the chance to go to the *Cars and Coffee Corvette Takeover* that was still **ON** in Princeton, NJ. It was held at the Carnegie Center. We met there and it was worth the ride. The skies were clearing even as we were driving up there.

Jeff Zipity Duda's *Zipity's Garage* was in charge of the *CORVETTE TAKEOVER*. There was just under 300 *Corvettes* of all generations, models and colors. Even though the weather was iffy, there were *Corvettes* pulling in one after the other. All of the vettes parked under huge solar panel roofs in the parking lot. There was a band playing music, a few concession stands, and a few table displays. 50/50's was also available. The best part of it all was the number and variety of the *Corvettes* that were there and the people who owned them. Everybody had one topic they talked about, the *Corvette*. This was the time to meet up with those who have that passion for *Corvettes* and a good place to be to make friends.
