**Corvettes Unlimited Corvette Club, Inc. Special Edition by DAVE KINSEY**

On Saturday morning, April 15, 2023 *Corvettes Unlimited Corvette Club, Inc.* club members Ted Trembley and Dave Kinsey met at Bader Field in Atlantic City, NJ where CIOCCA CORVETTE sponsored a "Cars & Coffee" meet-up for Corvettes and Exotic Car Owners. Donuts and coffee were free to all visitors.

There was also a Road Course that you could race your Corvette and be timed, for a modest price, or you could ride for free with a qualified driver to see how it was like and how it felt to be racing on the road course. A good number of drivers participated including both Corvettes and Exotics as well.
